**The Vice Chancellor,**

**SUB: Free registration of students on dedicated job portal for agriculture and allied sector-  
[www.agrivetjob.com](http://www.agrivetjob.com)**

Hon'ble Sir,

I take pleasure in introducing [www.agrivetjob.com](http://www.agrivetjob.com) as a dedicated portal for global jobs and consulting opportunities in agriculture and allied sector.

The main objective behind the portal is to provide single platform to both companies and candidates in agriculture and allied sector to post job/consulting opportunity and candidate can respond and apply there itself. Also all events, notices and announcements related to agriculture and allied sectors can be posted here. The allied sectors include Agriculture, Horticulture, Floriculture, animal husbandry, Veterinary, Forestry, Pesticulture, Poultry, fisheries, Food Processing, Sericulture, Dairy Science & Food Technology etc.

Any candidate who is 12<sup>th</sup> Agriculture, or graduate or post graduate in agriculture and allied sector can post resume absolutely free of cost.

The main features of portal for students are:

- Free Resume posting
- Free Event posting
- Free Notice/announcement posting
- Free Expert search
- Jobs and consulting opportunities of various companies shall be visible and accessible to registered candidates
- Apply directly for jobs by just clicking on button "APPLY"

**This initiative is supported by Indo-European Chamber of Commerce & Industry (IECCI)-  
[www.iecci.com](http://www.iecci.com) and backed by numerous national and international agriculture experts.**

**We would like to invite you to visit the portal- [www.agrivetjob.com](http://www.agrivetjob.com) and request to ask your students to register on the portal and submit their resumes and events, which is absolutely free**

Thanks & Regards,

Anuradha Singhai

President
