Message of the Hon'ble Vice-Chancellor

Dear Recruiter's,

Warm greetings from Dr. Yashwant Singh Parmar University of Horticulture and Forestry, Nauni, Solan (HP).

We are pleased to extend an invitation to your esteemed organization for the Final Placement Season of the MBA (Agri-Business Management) 2024-2026 batch.

Our MBA (Agri-Business Management) program has a proud legacy of producing highly skilled and industry-ready graduates. These students have earned the trust of numerous recruiters and have contributed significantly to the agribusiness sector. We take great pride in their accomplishments and the positive impact they have made in the field.

The University has adopted latest curriculum from the Indian Council of Agricultural Research for Agribusiness Management program so that the students are equipped with latest knowledge and skills to navigate the dynamic and ever-changing agri-business environment. The program's comprehensive academic training, paired with practical, real-world experience, ensures that our students are fully equipped to make valuable contributions in any organization they join. We believe our MBA (Agri-Business Management) students possess the skills, knowledge and competencies that meet the demands of today's competitive market. We would be honored to have your team visit our picturesque campus, engage with our faculty members and interact with our talented students. This will be a great opportunity to explore the potential of forming a long-term partnership and to discover how our students can contribute to your organization's continued success. Thank you for considering this opportunity. We are excited about the prospect of collaborating with your esteemed organization and look forward to the possibility of a fruitful partnership.

University Profile

Dr. YS Parmar University of Horticulture and Forestry, Solan, was established on 1st December 1985 to promote education, research and extension education in the fields of Horticulture, Forestry and allied disciplines. Late Dr. Yashwant Singh Parmar, the first Chief Minister and the architect of Himachal Pradesh perceived the importance of Horticulture and Forestry to develop and improve the State economy which led to the establishment of this University. Its history lies in the erstwhile Himachal Agricultural College, Solan, established in 1962 and affiliated with the Panjab University. It became one of the campuses of the Agriculture Complex of Himachal Pradesh University on its formation in 1970. Consequent upon the establishment of Himachal Pradesh Krishi Vishwavidyalaya in 1978, this campus became its Horticulture Complex and finally in 1985, assumed the status of a State University, being the only University in the country engaged exclusively in teaching, research and extension in Horticulture and Forestry.

- The University is located at Nauni in Solan District of Himachal Pradesh, 13 km from Solan on Solan- Rajgarh Road, at an elevation of 1300 meters above mean sea level. Solan town is situated on national highway (NH-22) and is well connected by train and bus services.
- The University offers UG (B.Sc.) and PG (M.Sc. and Ph.D.) courses in the fields of Horticulture, Forestry & its allied sciences including MBA (Agri-Business Management).

Department Profile

In this era of a fast-changing business environment, the demand for motivated and responsive specialized human resources has increased manifold. To develop such a human resource in the field of agribusiness, the University started the Masters of Business Administration (Agri-Business Management) programme in the academic session 1997-98 in the Department of Social Sciences. This programme became very popular and in the year 2007 a full-fledged Department of Business Management was established in the College of Horticulture; after carving the programme out from the Department of Social Sciences. Presently, the Department is running two different management degree programmes of MBA (Agri-Business Management) and PhD (Agri-Business Management). The department aims at positioning itself as a world-class centre of learning and lays special emphasis on the all-round development and growth of managerial talents. The focus of the programmes is on developing conceptual, interpersonal and management awareness for the implementation of new structures and strategies. To be at par with other universities/educational institutes in the country, the university has adopted the course package suggested by the Vth Deans' Committee of the Indian Council of Agricultural Research for its management programmes.

The Department aims at positioning itself as a renowned centre of learning and lays special emphasis on the all-around development of the students.

The Department is engaged in the research and extension activities also. The faculty has been publishing research papers in international Journals of repute. As an extension mandate, capacity-building programmes and exposure visits of farmers are also conducted regularly in the Department.

Mandate

- To equip students with the required conceptual, interpersonal skills and social purpose for managerial functioning in the fields of business with specific emphasis on agriculture, horticulture and forestry businesses.
- To inculcate entrepreneurial capabilities in the students to make them effective change agents and to offer managerial inputs to business organizations.
- To nurture in the students the capabilities of setting standards of excellence in their managerial responsibilities.

Specialization:
Food Technology

AGRIBUSINESS MANAGEMENT CLUB

VARIOUS ACTIVITIES CONDUCTED BY ABM CLUB

Soft skills development sessions, Group Discussions and Personal Interview are organized under the guidance of expert faculty. Seminars, events and leadership talks conducted by experts contribute to the enhancement of students' interpersonal and soft skills. A structured feedback system from industry experts is maintained to identify and address the requirements of sector-specific skill sets.

GROUP DISCUSSION

CASE STUDY PRESENTATION

QUIZ AND INTERACTION

INFRASTRUCTURAL FACILITIES

Library

Satyanand Stokes Library at Dr. Y. S. Parmar University of Horticulture and Forestry serves students, faculty, and researchers with extensive print and digital resources. The library provides access to e-books, e-journals, CeRA databases and an Online Public Access Catalogue (OPAC). It maintains an institutional repository, thesis archives and subject-specific databases to support academic research. Well-equipped reading rooms are available beyond regular hours for student use. Reprographic, document delivery and reference services further enhance user support. Recognized nationally for excellence in utilizing CeRA resources, the library continues to strengthen teaching, research and extension activities. A silent environment for all student to study and focus on research.

Classrooms

The classrooms are modern, spacious and well-furnished, providing a comfortable learning environment. They are equipped with smart classroom facilities, ICT-enabled teaching aids and high-speed internet connectivity. Wi-Fi access ensures seamless use of e-resources and online platforms during lectures. Overall, the classrooms promote interactive, innovative and technology-driven learning. Providing student more than just text book studies and a professional environment.

Computer Lab

The computer lab is equipped with modern systems, updated software and high-speed internet to support learning and research.

Hostels

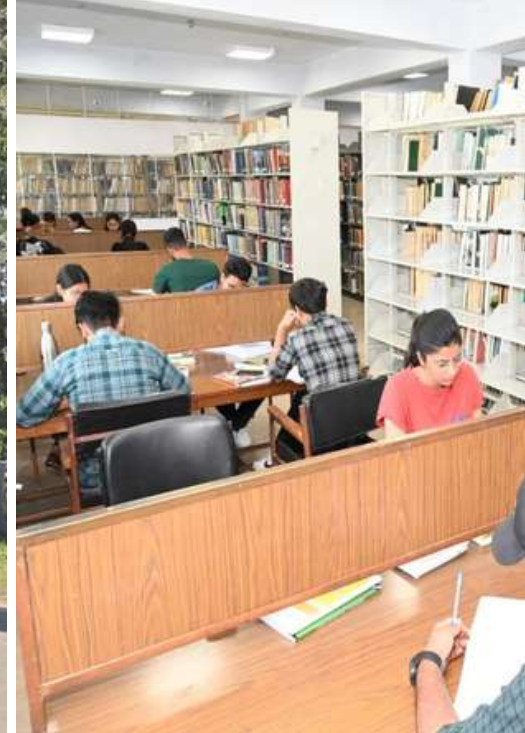

The university has 17 hostels, comprising 7 for boys and 10 for girls, providing safe and comfortable accommodation. Hostels are well-furnished with reading rooms, common rooms, indoor games and essential amenities like water coolers.

Central Facilities

The university offers central facilities including a dispensary, bank with ATM, shopping complex, canteen and gymnasium for student convenience. These amenities ensure health, comfort and day-to-day support within the campus

Co-Curricular Activity

- Embracing Cultural Festivities and Connecting with the Farming Community: Student Involvement in Saraswati Puja, Ganesh Puja, Kisan Mela and Meaningful Dialogue Exchange
- Active student participation in the University's Sports Meet, igniting team spirit and fostering well-rounded development
- Immersive involvement in university-level events like Hindi Pakhwada, embracing cultural celebrations and language heritage

SOCIAL ACTIVITIES

GLIMPSES OF SUMMER INTERNSHIP 2025

Bridging Academia and Industry

The Department of Agribusiness Management at Dr. YSPUHF, Nauni, is dedicated to fostering excellence in capacity building, industry engagement and entrepreneurship development. Through a dynamic blend of academic rigor and professional outreach, the department consistently equips students with the skills and exposure necessary to thrive in the evolving agribusiness landscape. To address contemporary challenges in agriculture the university regularly conducts specialized training programs, workshops and seminars in collaboration with leading national and international organizations. These initiatives are designed to enhance practical knowledge, promote innovation and strengthen industry-academia linkages. Strategic partnerships and Memoranda of Understanding (MoUs) with reputed organizations such as Mahindra Summit Agrisciences Ltd., PI Industries, Hindustan Insecticides Ltd., Bayer Crop Sciences, Harvel Company and international collaborators like USAMV Romania have enabled students to gain firsthand experience in branding, marketing, and agribusiness management. These collaborations emphasize joint research, internship opportunities, commercialization of innovations and effective knowledge transfer. The university also actively promotes skill development through Management Development Programs (MDPs), Personality Development Workshops and Entrepreneurship Awareness Camps, ensuring holistic growth and professional readiness among students. These multifaceted initiatives underscore Dr. YSPUHF's unwavering commitment to cultivating a robust foundation for future leaders in agribusiness management.

COURSE CURRICULUM

First Semester
