NOTICE

The University has successfully conducted the first round of counselling for admission to both Normal and Self-Financing seats in the Master's Programmes. Candidates were selected based on their performance in the Master's Entrance Test 2025.

For the Undergraduate Degree Programmes, two rounds of counselling have been conducted for both the Normal and Self-Finance seats. Selection under the Normal category was based on marks obtained in the Undergraduate Entrance Test (UGET-2025), while for the Self-Financing seats, selection was based on marks secured in 10+2 in the following four subjects: English, Physics/Agri-Physics, Chemistry/Agri-Chemistry, and Biology/Agri-Biology/Mathematics/Agriculture.

In all cases, selection has been carried out based on the candidates' merit, choice of preferences, applicable category or sub-category, and attendance during counselling, strictly in accordance with the guidelines prescribed in the Prospectus for admission to the Undergraduate and Master's Degree Programmes for the Academic Session 2025-26.

The list of provisionally selected candidates from these counselling rounds for the respective programmes is attached as **Annexure-I**.

The admission of the selected candidates shall remain provisional and will be subject to the fulfilment of all codal formalities at the time of registration in the concerned college. It is further informed that while every effort has been made to ensure accuracy, in case of any discrepancy, candidates are advised to refer to their selection letter issued during the counselling process.
