Weather Warnings (Valid Till 08:30 IST of the next day):-

♣ Heavy rainfall is expected from 14th to 18th August, 2025 at isolated places of the district.

Likely impacts of weather warnings on Agriculture and associated Agromet advisories:-

- ❖ Provide support to fruit-bearing crops to prevent lodging.
- Monitor the drainage pattern of flowing of water to avoid any risk due to erosion near the houses and fields.

General Advisory:-

- Avoid going near rivers, streams and flood prone areas during heavy rains due to flash flood risk.
- Divert excess water through proper drainage and grassed waterways to reduce the risk of erosion and landslides/slip.
- * Regularly clear the drainage channels for free passage of water.
- * Keep the orchards free from weeds and bushes for proper air circulation.
- * Remove infested fruits and shoots to avoid the spread of the disease.
- * Keep livestock in dry shelters and ensure clean drinking water.

SMS Advisory:-

❖ Ensure field drainage; avoid spraying or fertilizer application during rain.
